To Whom It May Concern

It is my great pleasure to write this letter in inviting Dr. Xue Liu (Passport ID: EF3216011) to visit my Animal Genomics Laboratory in the Animal Science Department at Washington State University (WSU) as a visiting Professor commencing from January 22nd, 2024 for 3 months. Dr. Xue Liu's visit will include activities related to joint research discussion on Animal Phenomics, field trips to poultry farms, and short-term training on poultry production. In addition, Dr. Liu will also have opportunities to meet with scientists across multiple disciplines and thus develop novel research fronts for future collaboration. Discussions of potential cooperation is also expected from Dr. Xue Liu's visit. I understand her travel and accommodation costs will be fully funded by China Agricultural University.

Here is Dr. Liu's tentative visiting schedule for your information.

January 22nd – 31st, 2024: discussion of research interests

February 1st – 16th, 2024: Field trips to poultry farms

February 17th – March 22nd, 2024: Seminars on advanced development of poultry science

March 25th – April 21st, 2024: Training on poultry production

I am looking forward to Dr. Liu's contributions to our poultry programs soon.

Sincerely,

Zhihua Jiang, Ph.D.

Professor of Genome Biology

Fulbright U.S. Scholar
